Survey / Interview Questions

I used a website called survey monkey to create my survey, by logging in and selecting some generic questions (for the demographic questions) and typing in some more site-specific questions. Here is the survey.

A screenshot of a SurveyMonkey question interface. At the top left is a green circular icon with a white person silhouette. To its right is a white rounded rectangle containing the question text. Below the question are seven green rounded rectangular buttons, each containing an age group. The buttons are stacked vertically and have a slight shadow effect.

Unfortunately, I was unable to get to this part of the assignment before the due date, I have a few interviews scheduled over the next couple of days. My apologies my wife and I are moving and have spent all week getting the house packed and ready.
